THE SHIRE PRESIDENT'S REPORT

July 2021

The long weekend holiday started off with the Leonora Inland Art Prize Opening Night on the 4th June 2021. Joining myself was the CEO, Brian Joiner and his wife Eve, Cr Jill Dwyer and the Deputy President Ian Baird, who travelled in from Tjuntjuntjarra for the Ordinary Meeting of Council at 27 May and stayed on to take in the festive weekend and to mix and meet the local communities at Menzies and Leonora. The Inland Art Prize Night was well attended and the Menzies Shire is pleased to be a long term sponsor of the well recognized biennial event in the Goldfields of Western Australia.

Saturday 5th June opened as a cool clear day for the running of the 92nd Menzies Classic, Chas Egan. Memorial Cycle Race, with riders departing Kalgoorlie around 10am. The finish was exciting with fast finishing group lead by Michael Tapscott 1st, Rachel Wales 2nd and Jessic Lawler 3rd.

The evening kicked off with dinner including entertainment by DJ Rev for around 250 people held in the marquee in the Shire car park. Presentations were conducted during the dinner, including attendance by our Federal member Rick Wilson. Once again the dinner was arranged by the EGCC and contracted to the Kookynie Volunteers Association Incorporated. Another magnificent fireworks display for the grand finale to conclude the evening. Buses were arranged for departures to Morapoi and Kalgoorlie.

Breakfast was provided by the Shire and was well attended on Sunday morning with DJ Rev rocking the town awake and amping up the cyclists prior to their departure for the final leg of the race, the Leonora Golden Wheels.

After presentations to the overall winners of the Cycclassic on the stage in the Tower Street in Leonora, Cr Baird, Cr Dwyer and myself attended a function for the Leonora Golden Wheels awards at the Central Hotel prior to farewelling the cyclists and visitors who were flying to Perth that evening.

Upon our return to Menzies, at 7pm I conducted a Citizenship Ceremony for Dr Ruth Murdy. Rick Wilson MP read out a message from the Minister Alex Hawke MP and presented Dr Murdy with the Australian Flag and a folder containing her citizenship certificate. Following the ceremony a function was held in the camp kitchen of the caravan park to celebrate this proud occasion with Dr Murdy, Rick Wilson MP, Dr Lesley Arnott and members of the Eastern Goldfields Cycle Club.

I would like to thank Dr Ruth Murdy, Minister Alex Hawke, Minister for Immigration, Citizenship, Migrant Services and Multicultural Affairs and Rick Wilson MP for the opportunity to perform this ceremony in Menzies during the Cycclassic Weekend.

On 17th June I attended an Audit Committee Meeting with RSM for the 2020-21 audit following a budget workshop for the 2021- 22 financial year and briefing session with Cr Dwyer in person and Cr Baird on zoom. 22nd June Cr Dwyer, the CEO and I met with DSS for discussions on job ready funding for the CDC trial sites. The extension of services to Menzies will be delivered by Leonora. 23rd June I travelled to Tjuntjuntjarra with Cr Mader, Cr Dwyer and the CEO for the OCM on 24th June. A noticeable improvement on the road from the Trans Access Road to the Kanandah top fence in alignment with the increase in mineral exploration. The previous works in the Shire of Menzies on the Connie Sue and Community roads have settled down well. Further maintenance improvements are required and will be ongoing focus.

CHIEF EXECUTIVE OFFICER'S REPORT

July 2021

The month of June is always very busy for Local Governments with the planning and setting of budgets for the next financial year. This month also included our independent interim audit for the 2020/21 FY which is an enormous drain on Council staff as they answer queries and produce documentation for the audit team. We also received our final audit for the 2019/20 FY and produced the Annual Report which was presented at the Annual Electors Meeting held on the 29th June. Receival of this audit was delayed, along with many other Councils, due to restrictions on travel last year.

On a positive note, was the running of the 2021 Cyclclassic event and awards dinner. It was my first time at the event, and I thought it provided the community with a sense of normality after it was cancelled in 2020. The finish of the event was very exciting, and it was fantastic to see two female riders in the top three. The presentation dinner for the riders attracted a crowd of approximately 250 with catering courtesy of the Kookynie Volunteers. We are already looking ahead to next years event and developing ideas to ensure that the Menzies community feels part of the event and to attract bigger crowds.

This months Council meeting was held at Tjuntjuntjara and it was my first visit to the community. We travelled by road and the conditions were very trying on portions of the roads. Council has contractors commencing work on our portions of the roads in July. The countryside in that part of our Shire is amazing and I would like to thank the community for being so welcoming.

A couple of projects were completed this month. The resheeting of Menzies NW and Evanston Roads finished our 2020/21 road program. We also provided seating and shade structures at Lake Ballard, Niagara Dam and the Menzies truck stop. We have an extensive works program for the 2021/22 FY and I'm hoping to have a lot of those projects completed within the next six months.

I was asked to be on the selection panel for a new permanent Principal for the Menzies Community School. Congratulations Megan Irving on your appointment.

My final note for this month is to wish our MM editor, Sethen, a happy 21st for later in July.

Notice of Authorisation Meeting Nyalpa Pirniku WAD 91 of 2019

Venue	Menzies Shire 24 Shenton Street Menzies
Date	Wednesday 28 July 2021
Start Time	10:00 am
Registration	9:30 am

Background

NTS Goldfields Ltd (**NTSG**) is arranging this meeting to provide an opportunity to discuss and make a decision about amending the Nyalpa Pirniku Native Title Claim (WAD 91/2019) by adding "(siblings) Sarah Brown and Jack Merrick (children of Bindinni)" as an apical ancestor. This meeting follows a series of consultation meetings with members of the Nyalpa Pirniku claim group.

This meeting is an authorisation meeting. An authorisation meeting is required when a new claim is being considered, or when there is an amendment proposed to an existing claim. The Nyalpa Pirniku native title claim was authorised on 23 January 2019 at an authorisation meeting and was registered on 15 May 2019. A decision to amend the claim at this meeting will authorise a change to the existing claim. The addition of Sarah Brown and Jack Merrick as an apical ancestor would be an amendment to the claim, because it would change the people who are in the claim group.

Anthropological information and legal advice about Sarah Brown and Jack Merrick's connection and the progress of the Nyalpa Pirniku claim will be provided at the meeting. There will be an opportunity to ask questions and have family group discussions during the meeting. The Nyalpa Pirniku claim group will make a decision about whether it wants to authorise an amendment to the claim group description to include Sarah Brown and Jack Merrick as an apical ancestor for the Nyalpa Pirniku claim.

Purpose of Meeting

1. **Claim Update and Legal Advice** relating to the Nyalpa Pirniku native title claim application WAD 91 of 2019.
2. **Consider an amendment of the claim group description** for the Nyalpa Pirniku native title claimant application WAD 91 of 2019 to include the additional ancestor "(siblings) Sarah Brown and Jack Merrick (children of Bindinni)".
3. **Authorise an amendment of the claim group description for the Nyalpa Pirniku Claim** for the Nyalpa Pirniku native title claimant application WAD 91 of

2019 to include the additional ancestor “(siblings) Sarah Brown and Jack Merrick (children of Bindinni)” so the claim group description is:

The Native Title Claim Group comprises those Aboriginal people who are recognised under traditional law and custom as having rights in some or all of the Claim Area on one or more of the following bases:

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.
