Council Members are bound by legislation to act with integrity and make decisions for the whole of the Shire.

Attending meetings

Council Members have a duty to attend all the Council Meetings to ensure that electors are adequately represented. In recognition of this, under the *Local Government Act 1995* a Council Member who is absent from three consecutive meetings of the Council without leave being granted by the Council, is automatically disqualified. If a member wishes to be absent for more than six consecutive ordinary meetings, Ministerial approval is necessary as well as the Council approval.

It should be noted that applications for leave of absence are usually supported but must be approved by the Council before, or at, the meeting(s) the Council Member is to be absent from. Leave of absence cannot be approved retrospectively.

Voting at meetings

If a Council Member is present at a Council Meeting, he or she is required by law to vote on all matters before that meeting unless he or she has a financial interest in the matter. Agendas are delivered to the Council Members within the required timeframes of the Local Government Act 1995, being a minimum of seventy-two (72) hours prior to the advertised commencement of the meeting. While late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Council Members are required to give due consideration to all matters contained in the agenda. Without adequate time for reading the agenda, it is extremely difficult for the Council Members to make effective assessments of issues and provide constructive input to the Council debate and decision making. It is recommended that further information be requested if there is insufficient material available to make an informed decision.

SUMMARY INFORMATION

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 July 2024 Prepared by: Bob Wadell & Associates Pty Ltd Reviewed by: Kristy Van Kuyl (CFO)

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of Local Government (Financial Management) Regulations 1996, Regulation 34 . Note: The Statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 14.

SIGNIFICANT ACCOUNTING POLICES

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

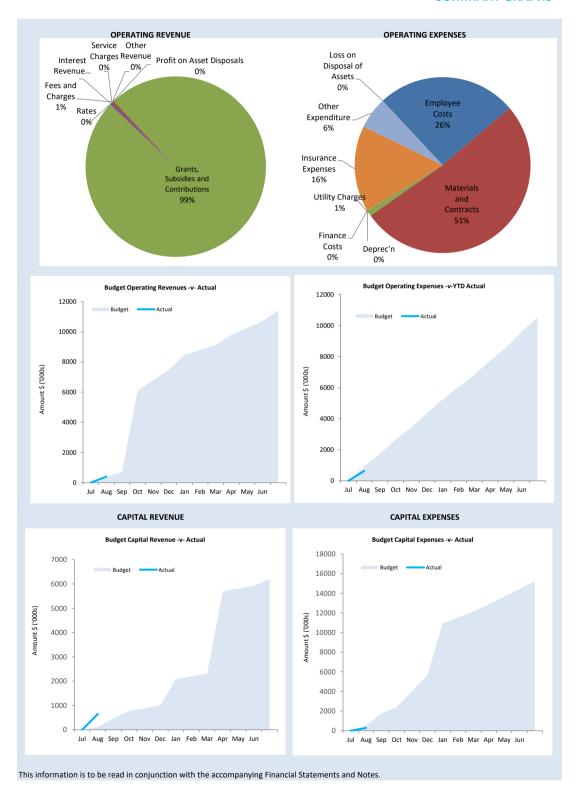

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

KEY INFORMATION

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

CONTRACT ASSETS

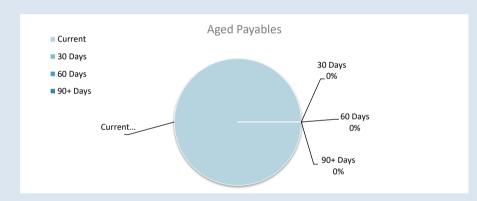

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

KEY INFORMATION

PROVISIONS

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE RELATED PROVISIONS

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the

CAPITAL GRANT/CONTRIBUTION LIABILITIES

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

SUMMARY:

To consider extending the building caveat on 21 Reid Street Menzies.

BACKGROUND:

At its Ordinary Council Meeting held on 31 March 2022, the Council resolved:

'That Council:

- 1. Authorises the CEO to sell through auction, in accordance with Section 3.58 of the Local Government Act 1995, 21 and 23 Reid Street, Menzies with pricing to be in accordance with Shire of Menzies Delegation 1.1.19.
- 2. Notes the sale will be subject to a caveat requiring the purchaser to commence building within 2 years from the date of sale, and
- 3. Authorises the Shire President and CEO to sign and affix the Common Seal of the Shire of Menzies to sale documentation.'

At the Ordinary Council Meeting held on 28 July 2022 following advice that licensed Auctioneers may not be available and a recommendation that the lots be disposed of by private treaty. The matter was deferred pending further investigation into the availability of licensed Auctioneers.

At the Ordinary Council Meeting held on 25 August 2022; the Council resolved:

'That Council:

- 1. Appoints Mr Boyd Fraser, Auctioneer, Acton Projects to conduct an online auction for the disposal of 21 and 23 Reid Street, Menzies.
- 2. Notes the sale will be subject to a caveat requiring the purchaser to commence building within two years from the date of execution of the contract of sale.
- 3. Sets a reserve price as per valuation.

4. Authorises the Shire President and the Acting CEO to sign and affix the Common Seal of the Shire of Menzies on sale documentation.'

At the Ordinary Council Meeting held on 29 September 2022, the Council resolved:

'That 21 and 23 Reid Street Menzies be disposed of to the highest bidders at the online auction held on 17 September 2022 at a negotiated price above the Reserve set.'

The settlement of 21 and 23 Reid Street was completed to the highest bidders on 9 December 2022.

COMMENT:

Due to their health and financial constraints, they are unable to meet the deadline for building prior to the Caveat expiration date on 9 December 2024.

The Shire received written correspondence from the property owners of 21 Reid Street requesting that the Caveat expiration date on the property be waived.

The Shire of Menzies has completed the utility connections along Reid Street and the infrastructure for the Shire staff accommodation at 29A and 29B Reid Street. Additionally, work is in progress on the Government Regional Officer Housing (GROH) capital projects at the corner of Brown Street and Mercer Street. Due to these recent developments, property owners in the area will benefit from reduced expenses on utility connections. Therefore, this report recommends extending the building caveat on 21 Reid Street, Menzies, for one year to assist the property owners with their personal circumstances.

SUMMARY:

To provide a proposal to Council that the town of Menzies become an Astrotourism Town through Astrotourism WA.

BACKGROUND:

Astrotourism WA hosts an Astrotourism Towns Project, offering communities a platform to establish their identity as an Astrotourism Town and a dark sky destination.

Astrotourism WA Pty Ltd was established in 2018 to begin the development of the Dark Sky Tourism sector of WA's Tourism Industry and raise awareness about the potential economic impact of four total solar eclipses visible from WA between 2023 and 2038.

The town of Menzies enjoys the darkest skies in the Goldfields and will have the distinction of being the only Astrotourism Town in the Goldfields-Esperance region, and uniquely placed to bring visitors to the region to view astronomical events such as solar eclipses, meteor showers and more.

Benefits to becoming an Astrotourism Town include:

- Growing the regional tourism economy, jobs and business
- Increasing visitation
- Building community capacity for visitor service providers including digital marketing, product packaging, funding applications and event management
- Family-friendly events where adults socialise in a non-sporting and alcohol-free environment
- STEM engagement for local students
- Increasing astronomy, night sky and light pollution knowledge
- Extension of Local Government economic and community development

The Astrotourism Town Project also opens opportunities for the development of new Aboriginal Tourism experiences and Aboriginal enterprises.

COMMENT:

Consultation with Astrotourism WA began last year in 2023, with a proposal for Menzies to become an Astrotourism Town eventually sent to Community Services and then shared with Councillors.

The startup, membership and operational costs have been included and approved for the 2024/2025 Financial Year.

Various mining companies in the region have also been approached for funding on the initiative and some may be supportive of financial sponsorship for an Aboriginal Astrotourism Project in the future.

POLICY IMPLICATIONS:

Policy 1.3 – Shire Logos. This policy may need to be updated to include astrotourism logos, and shire logos may appear on astrotourism signs.

Policy 12.6 – Use of Drones within the Shire of Menzies. It is expected that there will be limited use of drones for astrophotography, though visitors will need to be made aware of the Shire's policy on use of drones.

Policy 5.14 – Social Media. With increased visitation, Shire social media pages may see more engagement. Staff should follow the guidelines of this policy.

FINANCIAL IMPLICATIONS:

Initial setup and first annual membership totals \$22,500 plus GST, with ongoing membership being \$3,400 plus GST (as of 2024).

Additional costs relating to signage are estimated at \$13,500 plus GST.

All the above expenses have been accounted for in the 2024/2025 Financial Year Budget.

RISK ASSESSMENT:

Risk Statement	Level of Risk	Risk Mitigation Strategy
Delivery of initial project start and completion date is delayed.	Low	Community Services and Works to work closely with Astrotourism WA to provide support.
Increased project cost.	Low	Reduce the number of signs and/or dark sky locations at startup phase. Ensure dark sky locations have existing infrastructure.
Lack of local knowledge of astronomy.	Medium	Ensure key Community Services staff are trained in basic astronomy knowledge. Ongong support from Astrotourism WA.

STRATEGIC IMPLICATIONS:

The Shire's Strategic Community Plan 2021-2031 outlines the following Outcomes and Strategies:

- 1.1 An engaged and inclusive community.
- 1.1.1 Facilitate, encourage and support community volunteers, groups, events and initiatives.
- 2.1 An innovative, diverse and prosperous economy.
- 2.1.1 Support local business and encourage further investment in the district.

- Where there are current or future costs to be incurred by the Shire, these need to be clearly articulated and approved as per the adopted Budget, or Delegations Register,

To adopt the Art Acquisition, Display, and Management Policy, which will establish guidelines for the effective acquisition, management, and decommissioning of the Shire's art collection.

COMMENT:

By adopting this policy, the Shire will formalise its approach to managing its art collection, aligning with best practices and supporting the ongoing cultural development of the community.

- Ensure acquired artworks reflect our Shire's unique character, history, values and aspirations,
- Guide and facilitate a coordinated and strategically planned approach to the acquisition and management of an art collection,
- Encourage and ensure the acquisition of high quality, innovative artworks that are meaningful, relevant, diverse in character and aesthetically pleasing,

OFFICER I	DISCLOSURE OF	Nil
ATTACHME	NT	Nil

SUMMARY:

This report recommends the repeal of specific Council policies deemed operational. These policies, while previously adopted by Council, fall under the administrative and day-to-day management responsibilities of staff.

BACKGROUND:

The policies recommended for repeal have been reviewed by Steven Tweedie, Governance Consultant, and are recommended as no longer required at the Council level. Instead, they will be managed internally as operational procedures, ensuring more efficient and responsive administration.

COMMENT:

According to Section 5.41(d) of the *Local Government Act 1995*, the Chief Executive Officer is responsible for managing the daily operations of the local government. Furthermore, Division 4 (19 and 20) of Policy 1.1.1 Code of Conduct for Council Members, Committee Members, and Candidates (Model Code of Conduct) prohibits Council Members from becoming involved in administration and governs their relationship with local government employees.

The following policies have been reviewed and assessed as operational in nature:

- 1. Policy 1.1.2 Code of Conduct for Employees
- 2. Policy 3.5 Professional Advice
- 3. Policy 3.6 Information Technology Access and Use
- 4. Policy 3.7 Staff Recruitment Permanent, Part and Fulltime
- 5. Policy 5.5 Emergency Services Call Outs Affecting Work Hours
- 6. Policy 5.9 Leave Accruals-RDOs, Annual and Long Service
- 7. Policy 5.15 Use of Mobile Phones and GPS Satellite Devices
- 8. Policy 6.1 Work Health and Safety

- 9. Policy 6.2 Discrimination, Harassment and Bullying
- 10. Policy 6.3 Staff Uniforms
- 11. Policy 6.4 Fitness for Work
- 12. Policy 6.5 Grievance
- 13. Policy 9.1 Shire Accommodation Rental Charges
- 14. Policy 9.2 Shire Housing Tenancy Conditions
- 15. Policy 9.3 Shire Housing Inspections

By repealing these operational policies, Council will reinforce the clear distinction between governance and administrative responsibilities, ensuring compliance with the Model Code of Conduct and promoting efficient management by staff.

CONSULTATION:

Steven Tweedie, Governance Consultant

STATUTORY AUTHORITY:

Section 5.41(d) Local Government Act 1995

POLICY IMPLICATIONS:

The repeal of these policies will align with Policy 1.1.1 Code of Conduct for Council Members, Committee Members, and Candidates (Model Code of Conduct), particularly Division 4 (19 and 20).

FINANCIAL IMPLICATIONS:

There are no financial implications if the officer's recommendation is endorsed.

RISK ASSESSMENT:

Risk Statement	Level of Risk	Risk Mitigation Strategy
The retention of operational policies as Council policies may cause confusion about roles and responsibilities, leading to inefficiencies in administrative tasks.	Moderate	Repeal the operational policies to clarify the distinction between governance and administration responsibilities.

STRATEGIC IMPLICATIONS:

The Shire's Strategic Community Plan 2021-2031 outlines the following Outcome and Strategy:

- 4.2 An efficient and effective organisation.
- 4.2.1 Maintain a high level of corporate governance, responsibility and accountability.

Accordingly, the officer's recommendation aligns with the Strategic Community Plan.

VOTING REQUIREMENTS:

OFFICER RECOMMENDATION:

That, by ABSOLUTE MAJORITY, the following operational policies:
