1918—2018

CENTENARY OF THE FINAL CAMPAIGNS

THE SHIRE PRESIDENT'S REPORT

Recent grading of the batters on the Kookynie road allowing far better visibility and hopefully less contact with wildlife whilst travelling on this road.

During this month we will celebrate Easter. I would like to wish everyone a safe and Happy Easter and urge those travelling to please take care on the roads.

The school holidays are also during April so enjoy your time with your children and we hope they enjoy the School holiday programs in Menzies and Tjuntjuntjara sponsored by the Shire.

Anzac Day on April 25 is also a very important occasion celebrated in the Menzies Shire where we honour the brave Men and Women who gave the ultimate sacrifice for their Country, so we can all live our lives safe in our wonderful country.

Meeting I have attended during this month:-

6 March 2018

I attended Leonora's Magistrate Court as an observer

12 March 2018

I attended a meeting with the Chief Executive Officer Rhonda Evans, Works Supervisor Paul Warner and Councillor Ian Baird at WML Consulting in Kalgoorlie to discuss the Tjuntjuntjara Access road to the Community in an Emergency.

16 March 2018

1pm – I attended the Lake Ballard Management Advisory Committee Meeting held in the Shire offices. Due to a lack of quorum this meeting was adjourned to a later date.

2pm – I chaired the Local Emergency Management Committee Meeting (LEMC) at the Shire Offices.

22 March 2018

1pm - There was a Councillor information session during which we heard a presentation from Donna Gibson from Horizon Power regarding the future of the power in Menzies.

Cameron Blyth the President of the Eastern Goldfields Cycle Club presented a briefing on the status of the Cyclclassic in this the 90th year of operating.

Councillors also received a briefing from the Environmental Health Officer.

3pm – I chaired the Shire of Menzies Audit Committee meeting.

THE CHIEF EXECUTIVE OFFICER

Greetings

At the end of the month, the Technicians will be in Menzies to install new (larger) dishes for the rebroadcasting of radio and television. I thank all of you for your forbearance during the time it has taken us to resolve this problem.

Satellite television services will always be subject to interference from the weather, solar activity and technical faults, but the Shire will do its very best to bring you the best service we can.

A big thank you for a tremendous effort from those who brought in the 90 kilograms of prickles. Please continue the great work. Physical removal is the best way of eradicating Caltrop. There are still lots of plants around town just waiting to be picked.

School holidays are nearly upon us. This holidays we will be offering a day at the pool in Leonora, and a trip to the cinema in Kalgoorlie. Please look out for the advertisements, or have a chat to Nadine or Debbie at the Lady Shenton.

The Cyclclassic is to be run for the ninetieth time this June. We are looking for volunteers to help on the day. Activities will include helping DJ Rev with the children's events, setting up the hall for Friday evening, and again for Saturday evening. Please consider assisting if you can. Leave your details at the Town Hall office, or with the staff at the Lady Shenton, and we will contact you to find a suitable role for you. The dates are Friday 1 June and Saturday 2 June.

We will soon be advertising for stalls for the Saturday of the bike race. This is a great opportunity if you wish to undertake a fund raising event, or run a stall for yourself or your favourite organisation, please contact me before the end of April. We will be looking for similar participation in October for the Rodeo, so perhaps you can use the Cyclclassic as a test run.

The Wednesday evening Cooking Class will be moved from Wednesday 25 April to Thursday 26 April due to the Anzac Day public holiday.

This edition of the Matters has a number of Easter Rabbits and eggs lingering from Easter. Yes, we know Easter is over, but they are such joyful little creatures, we thought we would give them a little over time.

Once again I am seeking interest persons to register for casual work. If you don't make an application it is really difficult for me to know that you are looking for work. You just need to write a one page letter to me telling me why you would like to work with the Shire Team as a paid employee. Full time work is not available, but we often need support.

SEVEN GOLDEN RULES FOR

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

DID YOU KNOW

HOW TO PROTECT AGAINST MOSQUITO BITES

FIGHT the BITE

Prevent mosquito bites

★ COVER UP. REPEL. CLEAN UP. ★

COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans. Make sure children are also covered up.

REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from containers.

Attention Carers

Due to the nitrate concentration in the drinking water, bottle-fed infants under the age of 3 months must use bottled water.

The drinking water is safe for everyone else to consume.

For more information please talk to the Community Health Nurse, district hospital or visit www2.health.wa.gov.au
