THE SHIRE PRESIDENT'S REPORT

Following the Ordinary Meeting of Council on 13 December 2018 I had the honour of opening the Menzies Youth Centre (Ngalipaku building). We were honoured to have local politicians Kyran O'Donnell MLA, Kyle McGinn MLC and Robin Scott MLC as invited guests and they all spoke briefly to those in attendance.

After the opening ceremony everyone moved across to the Menzies Hotel gardens for the Menzies Shire Christmas party. It was pleasing to see the many community members present but also to welcome those from the outlying pastoral properties coming to town for the occasion. The atmosphere was relaxed and friendly and everyone seemed to have enjoyed themselves whilst supporting our local business.

It was also nice to see the Shire staff members relaxing and enjoying the celebrations. They have all worked really hard this year and I would like to acknowledge all of the staff, inside office staff, outside town crew and the road team. As well as having a successful year we have been able to achieve good results with our road maintenance completed to schedule.

The year of 2018 was finished off for the Shire with this celebration of Christmas and New Year.

On Australia Day I was privileged to be able present awards for recognised service and achievements in the Menzies Community over the past year to many members of our community who contributed their time voluntarily.

I would particularly like to mention several organisations who contributed to the community and were also recognised for their efforts. GBF for the provision of gym equipment to stock the Menzies gymnasium. This facility is constantly being used by many members of the community. St John Ambulance not just for last year but for their many years of dedicated service to the community, and also it was nice to see the Kookynie Volunteers recognised for their efforts this year also.

I would like to congratulate Sethan Sheehan-Lee on receiving the Citizen Achievement Medal – Junior. Sethan was recognised for his academic achievements at school and his photographic achievements whilst at school and since leaving. We would hope that he goes on to greater things in the future.

Finally I would like to acknowledge the fantastic effort from the entire Menzies Rodeo Committee and sponsors. We must make special mention of Laurie Ayers and Arianne Webb from Goldfields Conferences and Events for the leadership and assistance to the Committee. To MLG and Riverina Station without whose generosity the event would not have been as successful we also thank you. Finally to the Menzies Rodeo Committee members, but in particular Paul Warner, Bodean Buckingham, Ray McKay, Dennis Warner, Andrew Smith and Mark Wickstead who were all honoured with an Australia Day medal for their efforts.

To all of the community members recognised as well as the quiet achievers who just go about their business without being rewarded I would like to take this opportunity to thank you one and all.

Greg Dwyer
Shire President

THE CHIEF EXECUTIVE OFFICER

It's Back to School time, and the start of a New Year.

January 26 2019 saw the recognition of our volunteers by the Shire President Cr Greg Dwyer. Together with an Aussie breakfast, a well contested game of T-ball, and not so well contested game of cricket celebrated Australia Day in Menzies.

The winners of the T-Ball game, Menzies Magpies acquitted themselves well, and narrowly won on a protest. My thanks to Josie Williams for her magnificent management of the players, and for her umpiring. *(Also taking the position of catcher for both teams.)*

We have had a few instances of vandalism across the community of Menzies town since the long weekend. This is a sad event for us all. I cannot image or understand that there could possibly be a valid reason for such behaviour. To the young man who visited me to apologise for his involvement in one of these instances I thank you.

Our Youth services are offering after school activities on two afternoons each week. Please contact the Shire Office if you need information on these or any activities. I encourage anyone to communicate their ideas for Community involvement. We are always looking for new ideas that will enrich our environment.

As I write this letter to you, we have another day of total fire ban. Please be aware of the fuel load in the bush surrounding our communities as it dries and poses a serious fire hazard. Please remember that vehicles such as motor bikes or quads, welding in the open, or the use of tools that create sparks should be used with extreme care during the bush fire season.

A recent visit from the Water Corporation brought with it advice that Menzies Town has reduced it's water consumption, and is now recognised as a Water Wise Town. Congratulations to you all, particularly those who have taken advantage of the Plumbing Program advertised recently.

Members of the community are well into the planning for both the Cyclastic in June, and the Rodeo in October. Anyone interested in volunteering for either of these events please contact the Shire Office in Shenton Street. We will be only too happy to find a role to suit your talents.

Rhonda Evans
Chief Executive Officer

Australia Day Recipients 2019

From the Shire President

Australia Day Awards are presented annually to recognise service and achievements in this Community in the year just past. There will always be some who's contributions are overlooked in any year. To those, we apologise, and ask that you don't judge us on your absence from today's lists. It is hoped that in the future, those to be recognised will be nominated by you the community.

Certificate of Achievement

These members of the community have volunteered their time, and have been dedicated to service to Menzies during 2018. All of those recognised here today, and all of you in the Menzies Community who contribute to this safe, inclusive town we call home are honoured.

Today we make special recognition of 17 of our friends and neighbours, and three organisations for their contribution during 2018. We hope that we continue to join together in the future to ensure a strong and wonderful community.

Australia Day Recipients 2019

From the Shire President

Today, as we recognise service to Menzies during 2018, we highlight two community committees.

The Kookynie Volunteers Association without whom both the Cyclassic, and the Menzies Rodeo would be the poorer. The impact of their hard work and generosity belies their numbers.

The Menzies Rodeo Committee. In the inaugural year of the Menzies Rodeo, many people, both individuals and companies came together to ensure the success of this event.

We make special mention and thanks to Arianne Webb and Laurie Ayers from Goldfields Conferences and Events who guided and assisted the Committee in so many ways.

To MLG and the management of Riverina Station for their generosity and support in the construction of the arena for the Rodeo, and to all the sponsors without whom we would not have had an event.

SEVEN GOLDEN RULES FOR PROSPECTING

- 1. Put safety first**
 - Make sure you have enough water, fuel, maps and first aid supplies.
 - Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.
- 2. Obtain a Miner's Right permit** when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).
- 3. Obtain a 40E permit** prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).
- 4. Get written permission** from the tenement holder when prospecting on:
 - a mining lease
 - an exploration licence (if you don't have a 40E permit)
 - a prospecting licence
- 5. Comply with all legal requirements** when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.
- 6. Show respect when on Crown land** because it is used by other people or set aside for many purposes.
- 7. Fill any holes** that you dug and repair ground that has been disturbed.

HOW TO PROTECT AGAINST MOSQUITO BITES

★ FIGHT the BITE ★

Prevent mosquito bites

★ COVER UP. REPEL. CLEAN UP. ★

COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bit through tight clothes like jeans. Make sure children are also covered up.

REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from containers.

1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

DO NOT RELY ON WARNING SIGNS

WARNING SIGNS ARE PLACED WHERE APPLICABLE, HOWEVER THEY MAY BE DAMAGED, REMOVED, VANDALISED OR DESTROYED

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

CARAVAN & CAMPING

The Menzies Caravan Park is conveniently located next to the Visitor Centre which is also the booking agent. Entry via Brown Street, Menzies.

Modern amenities including twenty nine powered sites, and a two bedroom chalet, six unpowered sites, two ablution blocks and a disabled access ablution and a Camper's Kitchen. There is a black water dump point within the park and dogs are welcome but must be on leads at all times. For bookings and enquiries call **(08) 9024 2702** or

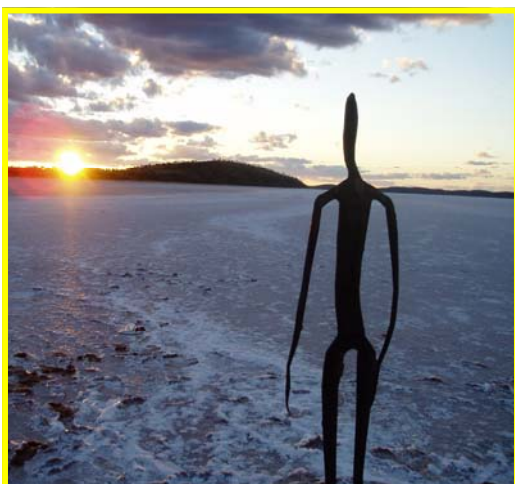

Email cso@menzies.wa.gov.au

Free camping sites are provided by the Shire of Menzies at Lake Ballard (51kms West of Menzies) and Niagara Dam (65kms North East of Menzies).

Facilities at these sites include toilets, BBQs and rubbish bins. Non-potable water is provided at Lake Ballard. Please respect these facilities and put rubbish in the bins provided, and only use facilities for the purposes they are intended.

TRAVELLING WITH PETS

Please be aware that there regular aerial drops of 1080 poison baits in the Goldfields area in attempt to combat feral animals.

Please use caution and take care when in these areas.

HOW DID VALENTINE'S DAY START?

In the third century, Emperor Claudius II Gothicus had banned marriage because he thought married men were bad soldiers. He was nicknamed Claudius the Cruel because of his harsh leadership and cancelled all marriages and engagements in Rome.

But a simple Christian priest named Valentine did come forward and stood up for love and secretly marry soldiers before they went off to war. When Claudius found out, Valentine was thrown into jail and sentenced to death. As Valentine awaited execution, he fell in love with the jailer's daughter which was a short romance and when he was taken to be killed he sent her a love letter which he wrote from ink that he squeezed from violets and signed "from your Valentine".

St Valentine gave his life so that young couples could be bonded together in holy matrimony. Even centuries after his death, the story of Valentine's self-sacrificing commitment to love was legendary in Rome. Eventually they granted him sainthood and the Catholic Church decided to create a feast in his honour.

They picked February 14 as the day of celebration because of the ancient belief that birds (particularly lovebirds, owls and doves) began to mate on that very day.

So on that note
we hope you had a very

Happy Valentine's Day.
